Your exclusive rental includes time for set up and tear down within your chosen time block. Enjoy elegant indoor seating in the main hall for up to 123 guests, with the ability to spread outside on the patio, under the portico, or in the grass or trees for larger gatherings or a unique dinner setting. Choice of rectangle and round tables and use of our metal padded chairs on-site can accommodate many different arrangements and event styles. There are two adjacent suites that can be used as staging rooms, as well as a coat closet that can be used as additional storage. We have a state-of-the-art sound system with microphone that is simple to connect any device to, as well as two 75" flat-screen televisions that can be used for presentations, videos, and slide shows.

Lighting outdoors above the patio, on the stone pathways, and underneath the aspen trees provide lovely lighting to enhance the serene ambiance. All 11 acres of property are included with your rental, including a scenic walking path, our dual water feature with bridge and connecting pond, and sitting benches for your guests to take in all the nature and beauty the Black Forest has to offer.
